Titoki Healing Centre Newsletter

Winter Edition No. 200

Dear Friends of Titoki ...

Welcome to the winter edition of Open Hand. Over these past months Titoki has been busy with retreats and renovations. We want to praise the Lord for his faithfulness in healing and refreshing many of those who have been here, and for all the little 'coincidences' that we know are not coincidence at all.

YWAM leaders Juan and Mombo

Is God calling you?

Titoki relies on volunteers who are called by God to serve. We have a vacancy for a couple (singles also considered) to live on-site as a long-term part of the Titoki team. For more details please contact Titoki Christian Healing Centre.

"My wife Mombo and I are missionaries who travel to minister internationally in many countries each year with YWAM. Recently we returned from Samoa and were able to stay at Shalom House for two weeks. We do not own a home anymore and spend most of our time working on the road. This house has been a godsend to us and helped us to recharge and refresh so that we can keep going in our call to bring the hope of the gospel to the nations. As those who have benefited from this place of respite, we are grateful to the Mary Atkins Trust for making a resource like this available. Not only does this benefit us, but it benefits all those who we serve around the world."

Note to Titoki at the end of stay: "Mombo and I were praying this morning and spending time with the Lord and debriefing on the many ways he spoke to us through the prayers, prophesies, songs and blessing that were spoken over us yesterday. It was JUST what we needed. Thank you for making a place for us to meet with the Lord and receive his love."

Titoki — a retreat for healing and restoration

"Taste and see that the Lord is good! Blessed is the man who takes refuge in him! Fear the Lord ... for those who fear him lack nothing." Ps. 34:8-9

Murray Cottage: Ready For Guests

For the month of May we had the awesome team from MMM living onsite and renovating Murray Cottage. New bathroom, new kitchen, new curtains, repaired roof, new paint inside and out – they did a fantastic job. MMM is a wonderful ministry that donates their labour to building projects for Christian organisations. It was a pleasure to get to know the team personally over the month. Thanks to the generous financial support of Mary Atkin Trust, Murray Cottage will now provide, in addition to Shalom House, free accommodation for missionaries.

The Cooking Team

Titoki relies on volunteers, and we are super grateful for our cooking team who have volunteered many long but always rewarding days in the kitchen these past few months. Special thanks to Vicki, Judi and Clare. If you like to cook, we would love your help, even if it's for just an occasional day.

Spiritual Directors Meeting

The Bay of Plenty spiritual directors held their June meeting at Titoki with a delicious lunch of Moroccan roast vegetable salad, homemade hummus, spiced apple cake and Italian amaretti. If your group would like to hold a meeting at Titoki, please contact us.

Comments from guests:

"Thank you very much once again for my Titoki experience. All of you beautiful women who run the Centre are angels on earth. I certainly benefitted immensely from being there."

"Titoki was the perfect place to come and have a debrief. I felt supported, I felt special, I felt loved, I never felt hungry! Thank you to everyone." F.H
